

3rd Annual Box Drive Program

The Donation Effort

Chances for Children provides financial and strategic support to orphanages in Haiti. With the devastation in Haiti this year, it has become increasingly difficult to acquire the food needed to provide for the children of the orphanages and the surrounding community. The orphanages we work with rely heavily on donated food and formula that are sent through our donation efforts.

This marks our 3rd Annual Box Drive Program. In 2009, we exceeded our goal of 350 boxes in 30 days. This year, since there is even more need and we have a little more time we'd like to at least duplicate the amount we achieved last year, so we're setting the goal at 400 boxes in 45 days!

Thanks in advance for your consideration. Your contribution will make an enormous difference in the lives of the children we serve.

The Challenge: 400 Boxes in 45 days

1. Pick up Priority Mail 12x12x5 1/2 size flat rate boxes.
2. Fill your box(es) with ONLY one of these options:

BOX ONE

3 cans of 12.5 oz chicken
1 bag 5 lbs rice
4 bags 1 lb beans
1 can 25.7 Kirkland* brand infant formula
1 jar 64 oz. peanut butter
* Approximate cost for these items \$35.00 + \$14.50 shipping (when using USPS box)

BOX TWO

3 cans of 12.5 oz chicken
1 bag 5 lbs rice
4 bags 1 lb beans
2 jars 64 oz peanut butter
Approximate cost for these items \$25.00 + \$14.50 shipping (when using USPS box)

3. Go to the post office and mail the box!
4. Email vivian@chances4children.org with your name, address, which box you donated Box 1 or Box 2, and shipment date. Please indicate if you would like a tax-deductible receipt.
5. Even if you don't want a receipt, since the shipment is going directly to the exporter, it is important that you email vivian@chances4children.org or fax (480) 323-2343 with the number of the box(es) you sent, the return address on the box, and the date of shipment so we can make sure all the donations are accounted for.

**Costco's Kirkland brand is less costly, but can be replaced with Enfamil or other infant formula with Lipil.*

These combinations fit perfectly in the boxes and represent the items that are most needed.

Mail no later than: December 15, 2010
